Announcing  
The Arrival of a Wine Club for  
Stags' Leap Winery:  
THE MANOR HOUSE PORCH SOCIETY  
Summer 2006

The Manor House porch has traditionally been a convivial place where wine and conversation are enjoyed in the company of good friends. Time has layered memories of countless celebrations and gatherings from the time the founding Chase family began growing grapes and making wine here in the late 1880s, through the exciting and combustible years of the twentieth century when the estate found itself a resort beloved by the fog-shrouded inhabitants of San Francisco. There is a magical quality to time spent in a chair at dusk listening for the haunting cry of the night's first owl...a combination of beauty, serenity, and historical echo. For all these reasons and more, we hope you'll join us.
